Message From Management

Spring is here and the Hutchinson Metro Center is bursting with activity. As you will read in this latest edition of Hutch Metro News, it's

been a very busy few months here and the best is yet to come.

In March, we hosted the Monster.com Jobs Fair

which attracted more than 3,000 people who were able to meet with Bronx employers. We commend Congressman Joseph Crowley who was instrumental in bringing this important event to the Hutch and the Bronx. We also thank the Bronx Chamber of Commerce and Mercy College for their participation and support.

As you can see, the Hutchinson Metro Center is more than just an office park. It is an integral part of the Bronx community, bringing together various organizations in both the private and public sectors to make the Bronx a great place to live and work.

We're the place where business happens!

Full Service Banking Coming Soon

Business banking is coming soon to the Hutchinson Metro Center where Hudson Valley Bank, one of the region's premier financial institutions, is opening a new full service branch in the lobby of Tower One.

The 2,000-square-foot facility, which is slated to open in October, will offer a full line of commercial banking services as well as an ATM open 24/7 and a dedicated parking area. The branch will be staffed by experienced and knowledgeable banking professionals.

"We are very pleased to be opening this new branch in the Hutchinson Metro Center. At Hudson Valley Bank, we pride ourselves on providing a full

range of high quality financial services for individuals, businesses, professional service firms and not-for-profit organizations with highly personalized and responsive service," said Anthony Mormile, Senior VP and Relationship Manager for the Bronx. "We look forward to serving the growing business community at the Hutch," he added.

Free Concert Series Debuts this Summer

They'll be music in the air this summer at the Hutchinson Metro Center. We are pleased to be hosting a series of four outdoor concerts in July and August featuring Bronx professional musicians performing a wide range of music from Classical to Latin Jazz to R&B to Musical Theatre.

The free concerts, which are being presented by the Bronx Council on the Arts, will be held July 22, July 29, August 5 and August 8 from noon to 2 pm in the courtyard adjacent to the Metro Cafe. There will also be a crafts presentation

in between performances with Bronx crafts persons and artisans displaying their wares for sale.

The Bronx Council on the Arts recently relocated its offices to nearby Westchester Square community. "We are excited to be bringing some of the city's finest musical talent as well as outstanding craftspeople to the Hutchinson Metro Center.

What a wonderful setting for summer afternoon concerts," said William Aguado, President of the Bronx Council of the Arts.
